

## **NHD PHILLY 2023 Advanced Project Submissions Instructions**

Below, you will find instructions on how to submit your advance category project for the NHD Philly 2023 competition. **Advanced categories for 2023 are: Papers, Websites, Documentaries.**

For Group Website and Group Documentary project submissions, please select one member of your team to fill out and submit the form. **There should only be one submission per project.**

**ALL advanced category projects must be fully completed and submitted by Monday, February 27th at 6:00pm.** Websites will be locked after this time, and no late submissions of documentaries or papers will be accepted.

Questions? Reach out to [nhdphilly@gmail.com](mailto:nhdphilly@gmail.com) for help!

### **PAPERS**

- Combine all required project paperwork (title page, process paper, and annotated bibliography) with your paper into one PDF.
  - Please see [this video](#) to learn how to combine your documents into one file.
  - The final PDF document order must be: title page, process paper, paper, annotated bibliography. Please see [this example](#) for the correct order.
  - Name your final PDF with this format: Last Name, First Name\_Project Title (ex: Lovelace, Ada\_Computers: Communicating the Future)
- [Use this form to submit your paper](#) by 6:00pm on February 27, 2023. No late submissions will be accepted.

### **WEBSITES**

- Paste your NHDWebCentral URL in the space provided in the Google Form.
- Only websites made using NHDWebCentral will be accepted.
- Please remember that your annotated bibliography and process paper must be included as an integrated part of the website in PDF format. They must be included in the navigational structure of the website.

- [Use this form to submit your website](#) by 6:00pm on February 27, 2023. After this time students will be locked from making any edits to their websites.

## DOCUMENTARIES

- Upload your documentary as an unlisted YouTube video ([instructions here](#)).
- Paste a link to the unlisted video in the space provided in the Google Form.
- Combine all required paperwork (title page, process paper, and annotated bibliography) in one PDF.
  - Please see [this video](#) to learn how to combine your documents into one file.
  - The final PDF document order must be: title page, process paper, annotated bibliography. Please see [this example](#) for the correct order.
  - Name your final PDF with this format: Last Name, First Name\_Project Title (ex: Lovelace, Ada\_Computers: Communicating the Future)
- [Use this form to submit your documentary](#) by 6:00pm on February 27, 2023. Not late submissions will be accepted.
